

BALLATORE

Ballatore Gran Spumante

Ballatore Spumante was introduced in 1984. Since that time, Ballatore has consistently been awarded top honors in some of the nation's most prestigious competitions. To date, Ballatore Spumante holds over 250 awards.

Description:

The delicate freshness of Ballatore makes it a most charming sparkling wine. Inviting aromas reminiscent of ripe peaches and apricots combine to form a delightfully complex bouquet. Well-balanced and rich in varietal character, this sparkling wine refreshes with melony flavors and a crisp, clean finish.

While traditionally enjoyed with desserts, Ballatore is an elegant and festive companion to any occasion.

Winemaking Notes:

The winemaker, Spir Ballatore, styled this delightful sparkling wine in a manner similar to Spumantes from the Asti region of Italy, with a proprietary blend of specially selected California grapes.
